

Take Reading Programs to New Heights

Wandoo Reader

Make your summer reading program count! With Wandoo Reader, you can easily manage reading programs year-round, boost engagement and enrollment, and enhance learning with a powerful game-like experience.

Library Benefits

- **New for 2018!** Simplified and enhanced prize management streamlines administration for your staff.
- **New for 2018!** “Program Brought to You By” branding abilities recognize sponsors and partnerships.
- **Easy and fast program setup** means your entire reading program is ready to go in no time.
- **Event feeds** promote your library’s activities and events.
- **Enhanced reporting features** provide the data you need for success.

Patron Benefits

- **New for 2018!** Book reviews encourage more community engagement and interaction.
- **New for 2018!** Custom logging makes participating in 1,000 Books Before Kindergarten easier!
- **Family registration and management** allows families to setup and manage each member’s reading logs and “challenges” easily from one account.
- **Mobile enabled** Wandoo Reader supports smartphone and tablet access so patrons can access your reading program from anywhere!
- **Expanded “challenges”** and game-like features, plus multiple themes and customizable characters makes reading more fun and programs more engaging for everyone.

“We could not only keep patrons interested, but increase circulation and program attendance while we were at it.”

– Deborah L., Louisville Public Library, OH
